The Restaurant - Challenge

Use the following information to compare the price of a cheeseburger made at home with one purchased at a local restaurant. Ketchup and mustard are freebies!

Item	Cost	Number of servings	Cost for one hamburger
Hamburger patty	\$6.78	20	
Hamburger buns	\$2.79	8	
Tomato	\$1.50		
Onion	\$0.51		
Cheese	\$5.99	12	
Lettuce	\$0.99		
Total for one cheeseburger made at home			\$

Why do you think restaurants charge so much for one hamburger?

Do you think it is worth it? Why or why not?
